

What Can YOU Do?

Get Involved, Make a Difference. Make some NOISE!

Newsletter: Tuesday, 17 July 2018

Issue No.043

Facts of the Week

1. Over 1 million seabirds and 100,000 sea mammals are killed by pollution every year.
2. Recycling and composting prevented 85 million tons of material away from being disposed of in 2010, up from 18 million tons in 1980.
3. 5000 people die every day as a result of drinking unclean water.
4. Approximately 40% of the lakes in America are too polluted for fishing, aquatic life, or swimming.
