

# What Can YOU Do?

Get Involved, Make a Difference. Make some NOISE!

**Newsletter: Monday, 8 October 2018**

**Issue No.054**

Dear Readers,

We want to keep you informed about the most burning issues and latest events happening around the world with regards to SDGs. Please download and share our Newsletter with family, Friends and work colleagues as that will help us to increase the number of people who support and share our vision. Together we can have a much bigger impact and will be able to make a change to this world.

Step by step – we move forward, lets make this Initiative even more popular.

Thank you!

# Focus of the Week

## *Clean Energy*

- China steps up its push into clean energy.  
China is stepping up its push into renewable energy, proposing higher green power consumption targets and penalizing those who fail to meet those goals to help fund government subsidies to producers.
