Newsletter: Issue No.090

Dear Readers,

Welcome to the issue #90 of our What Can You Do Weekly Newsletter!

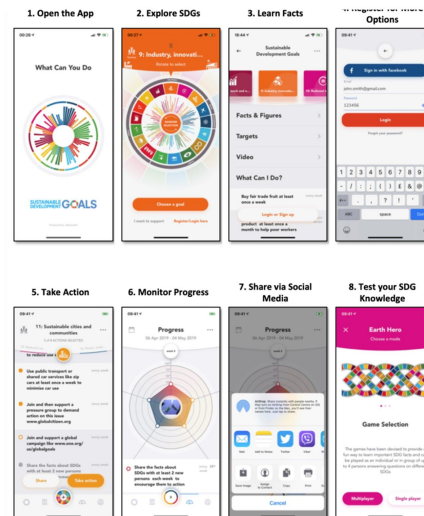

We hope you enjoy reading the latest update on SDGs. Each week we give you a selection of *shocking facts as used in the original development of the SDGs* to share with family & friends, encouraging them to become more active and to join our community to “Save our World”!

Please let us know if you have any questions, or would like to suggest an idea for our newsfeed, please send us an email: motherearth@whatcanyoudo.earth

Inspiration of the Week

12 YEAR OLD BOY DEDICATES HIS LIFE TO SAVING ANIMALS

“ Animals face an endless list of challenges when it comes to finding a home. Many of them are forced to wait for months if not years, while others will never find a caring owner. Thankfully, there are unsung heroes that do everything they can to provide these innocent victims with a place they can call home. They spend hours and days of their lives heroically trying to attract potential owners, utilizing a variety of creative methods.

Perhaps when you think of such heroes, you envision an elderly lady spending her free time at the local cat shelter. Or maybe you imagine a muscular Superman flying through the sky, flowing cape behind him, rescuing dogs from burning skyscrapers. In both cases, you couldn't be further off. This story is about a 12-year-old boy from New Jersey."
