Newsletter: Issue No.091

Dear Readers,

Welcome to the issue #91 of our What Can You Do Weekly Newsletter!

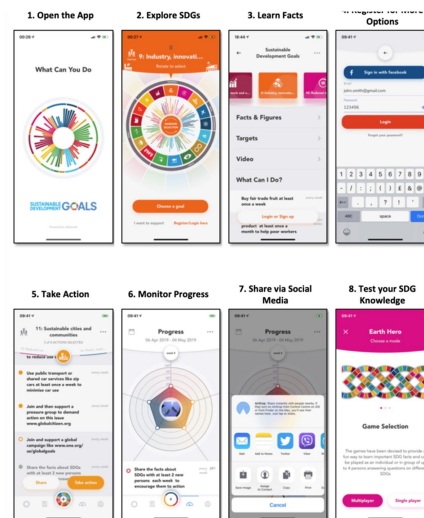

We hope you enjoy reading the latest update on SDGs. Each week we give you a selection of *shocking facts as used in the original development of the SDGs* to share with family & friends, encouraging them to become more active and to join our community to “Save our World”!

Please let us know if you have any questions, or would like to suggest an idea for our newsfeed, please send us an email: motherearth@whatcanyoudo.earth

Inspiration of the Week

CRANNOG - THE WOMAN WHO HELPS ANIMALS TO DIE WITH DIGNITY

“Alexis has a life-threatening disease. She spends her time in the wooded expanse of northern Scotland, where she takes care of dozens of animals who are also sick, wounded or dying. Some have terminal cancer, some would otherwise be killed because of their disabilities, some were saved from slaughterhouses. Alexis provides palliative care for them.”

Read Alexis' Experience column about running the animal hospice
