Inspiration of the Week

Elton John Pledges \$1 Million To Australian Bushfire Victims

“Elton John has pledged \$1 million to the Australian bushfire relief fund while performing at a concert in Sydney.

Since September last year, bushfires have taken the lives of at least 25 people and more than a billion animals. In New South Wales (NSW), an area particularly afflicted by infernos, 1,588 homes have been destroyed and a further 653 damaged.

The singer-songwriter addressed the crowd during a performance at Qudos Bank Arena at Sydney Olympic Park, saying he was in awe of the country’s firefighters and that the widespread devastation is heartbreaking.”
