Project Everyone: An Inspiring Companion in the work towards the Global Goals

“As we enter another month of lockdown, the Sustainable Goals can feel distant and quiet as the World focuses on the more immediate global situation at hand. However, it’s a good opportunity to look at other organisations that are working towards the same goals as us in order to sustain our motivation. One that really caught my attention was “Project Everyone”, this is an organisation whose mission is to bring about real change by 2030 in respect of the United Nations’ 17 Sustainable Development Goals (SDGs)....”

SDG # 5 - Gender Equality

The facts

- 250,000 maternal deaths and 1.7 million new-born baby deaths could be avoided if there was better health care for women
- 125 million women are affected by Female Genital Mutilation
- Women in age range 15-44 are more at risk from rape or violence than from Cancer, accidents, war or Malaria
