“... As we grow this idea, we reflect on our brand values and gather information about the products & services that might be attractive to our members (to you). These will be ‘niche’ markets. So how to begin? To put it simply, this will be companies that have a beating heart for the Planet and are purpose-driven at their core. The initial words that come to mind are *sustainability, health, mindfulness, re-usable* and *eco-friendly*, and these are just a few. But as we get closer to manifesting our Affiliate Marketing plan, we will want to hear from you, to find out what products & services you would want to see....”

3 GOOD HEALTH AND WELL-BEING

Health activities over the last 15 years have had some successes but there is still much to do. Since 2000 the chances of mothers dying in childbirth has reduced by half but in developing countries the maternal death rates are still 14 times higher than in developed countries.
