“... As we grow this idea, we reflect on our brand values and gather information about the products & services that might be attractive to our members (to you). These will be ‘niche’ markets. So how to begin? To put it simply, this will be companies that have a beating heart for the Planet and are purpose-driven at their core. The initial words that come to mind are *sustainability, health, mindfulness, re-usable* and *eco-friendly*, and these are just a few. But as we get closer to manifesting our Affiliate Marketing plan, we will want to hear from you, to find out what products & services you would want to see....”

# 5 GENDER EQUALITY

**Women in developing countries often have to walk for hours to fetch water and they toil in drought prone fields to feed their families. Women are half of the world population but get access to only a minute portion of the world's resources and power.**
