“Stay with me, I promise, it’s not as boring as it sounds. As someone who takes a lot of consideration over buying sustainable products, in the sense that I’m vegan, I try my hardest to be zero waste and, where I can, I buy second hand. But of course, there are times that it feels that all this conscious decision-making is going unseen if companies and manufacturers continue to churn out single-use plastics, exploit labour costs and pump pollution into our atmosphere...”

- Climate change: Can sending fewer emails really save the planet? Read [here](#).
- Connecting to nature is good for kids – but they may need help coping with a planet in peril. Find out more via the [link](#).
- To feed a growing world, we need to change our food systems now. Read more [here](#).
- Call for cameras on fishing boats as millions of endangered birds, animals and sharks killed by accident. WWF wants UK government to ‘demonstrate global leadership’ as huge numbers of birds, dolphins, sea lions and turtles die in nets. Read [here](#).
- New research reveals major benefits of integrated approaches to climate and nature. Read [here](#).
- Climate change: Warmer winters linked to increased drowning risk. Learn [more](#).
- Ban on new petrol and diesel cars in UK from 2030 under PM's green plan. Follow the [link](#) to find out more.
- Shift to electric cars will need 'Herculean' effort, says industry. Learn [more](#).
- Secondhand Clothing Sales Are Booming – and May Help Solve the Sustainability Crisis in the Fashion Industry. Read [here](#).

Lack of access to affordable, reliable energy supplies is a constraint to human and economic development. About 1 billion people live without electricity and more than 3 billion have to rely on wood, charcoal, animal and crop waste or other solid fuels to cook their food and to heat their homes.

Advice of the week:

✔ Share with friends
or borrow things such as books, magazines,
movies, games, and newspapers!

(Please share with friends, family and work colleagues and encourage them to join our community and help create a safer, fairer world for all)
